

EXHIBITOR IN-BOOTH PRESENTATION FORM

DEADLINE: July 15, 2021

Exhibitors are free to hold presentations in their booths, including telesurgery, lectures and other educational events, during all hours exhibits are open. Show Management requires prior notification of your plans to assure that all activities are appropriate to the educational goals of the meeting.

PLEASE NOTE: Please respect your fellow exhibitors and meeting attendees by monitoring the volume associated with such activities. If Show Management determines the volume of a presentation to be inappropriate, the booth staff will be expected to bring the volume to an acceptable level.
